Scott –

Thanks for including us. As an FYI, I forwarded this to Kaytrue too and will sending her the meeting invite as well. She became very familiar with the Sheboygan issues during the original 2008 ozone extension request and the recent bump-up action, and given competing projects that Jan & Karen have, it's possible Kaytrue may cover this for OGC. We'll decide the POC once we have a better idea of timing/path forward.

No, it is not how many bratwurst you can eat in 10 minutes. It is far less entertaining.

We have been tasked by the Administrator's office with responding to recent correspondence from Sheboygan representatives regarding the current county-wide boundary for the Sheboygan ozone nonattainment area, which goes back to the 1-hour standard. See attached letters.
